Youth Human Impact

# INFOPACK

POLAND – ŁOMŻA, JUNE 25 – JULY 4, 2025

## WHO ARE WE?

Youth Human Impact Association is an organization that gives young people creative opportunities for self-education and personal development in order to find a passion for acting. We strive to arouse among our members the entrepreneurial attitude and sense of initiative. We organize educational projects both in Poland and abroad. We work in an unconventional way and focus on non- formal education.

Youth Human Impact Association places a strong emphasis on educating youth in its activities. We build and give opportunities to gain knowledge and skills that are not offered in the traditional school system. We give them the opportunity to gain knowledge and skills that will be used by them in everyday life: private and professional. In this way, we create the opportunity to enter the job market more easily. We always involve young people in our activities while struggling with various obstacles: geographical, economic, social.

We believe that everyone is equal and has the same right to acquire knowledge and education.

### GENERAL INFO ABOUT THE PROJECT

The project focuses on exploring the role of myths in culture, history, and contemporary society. Special emphasis is placed on understanding how myths shape identity, influence social narratives, and impact our perception of reality. Through workshops, discussions, and artistic activities, participants will deepen their awareness of the universality of myths and their relevance in modern life.

A key component of the project is fostering intercultural education by promoting dialogue and the exchange of mythological stories and traditions among participants from diverse cultural backgrounds. Participants will engage in creative expression through theatre, literature, and interactive narratives, exploring how myths continue to shape the way we perceive the world today.

By combining these elements, the project supports participants' critical thinking, cultural awareness, and creative skills. It equips them to engage with and analyze contemporary social and cultural narratives. The project also strengthens intercultural cooperation and community building, encouraging openness, tolerance, and collaboration in line with Erasmus+ values.

## POLAND TIPS

Youth Human Impact

As a member of the European Union, Poland has agreements for the recognition of insurance systems. Those who possess a European insurance card should therefore be covered for illness and accidents in the same way as they are in their country, please bring with you EHIC (European Health Insurance Card).

The currency in Poland is ZLOTY. Paying by card is the main form of payment but having a few zlotys in cash won't hurt anybody :)

In Poland, there is a **total ban on drinking alcohol in public places** such as railway stations, parks, streets. Breaking this law threatens the mandate of the altitudes of 100 zł = 25 euro. In Poland, there is also a **ban on smoking in public places** such as cinemas, theatres, railway stations, airports, and bus stops. Sometimes in these places it is a special place for smoking.

Before coming to Poland, check the weather. One day may besunny, the other day it can rain - you never know! Take appropriate clothing.

There will be cultural evenings during the project. Before arrival, prepare a quick presentation (20 min) about your country, a short quiz and maybe a dance. Take your flag and national symbols. Don't forget about national food and snacks :)
