MEDIA AND COMMUNICATION

Communication is one of the main ways to contribute to spread a culture of inclusion and solidarity.

MARGHERITA IN FESTA

Each year the festival has a main theme, connected with current important social challenges/issues, which is declined in each event in a different way. The aim is to promote the culture and values of Margherita, which are strictly connected with EU ones (solidarity, inclusion, human rights, community development etc.).

TRAINING ACTIVITIES

Realization of courses, workshops and training events for different target groups and themes such as childhood, parenthood, environment and sustainability.

CENTRES FOR OLDER PEOPLE - IN GAJA

Centres that host older people who require assistance. They could have different levels of cognitive impairments, including also Alzheimer and different forms of dementia, physical impairments and behavioural disorders.

CO-HOUSING FOR PEOPLE WITH DISABILITIES - DOPO DI NOI

Short co-housing period promoting autonomy of disabled people, 1/2 week per month.

CENTRES FOR CHILDREN - APOLLO, VOLO and after school services

Centres for disadvantaged minors reported by municipalities' social services. They host minors in need of special protection and educational, relational and/or school support from 6 to 14 years-old.

Generally, the volunteer will have the opportunity **to relate with disadvantaged people promoting Human Rights and social inclusion** at the community level. Moreover, they will be involved in further innovative projects such as EU projects and local youth projects as BEE-FUN.
