# ABOUT THE PROJECT

La Maison del'Europedes Landes WIPSEE presents the Erasmus+ Youth – KA1 project "Ecological Transition."

## PROJECT BACKGROUND

In a context of global climate and environmental crisis, the ecological transition has become a major challenge for our societies. It aims to rethink our modes of production, consumption, and cooperation in order to reduce our environmental impact, preserve natural resources, and build a more sustainable and inclusive future.

Young people will have the opportunity to exchange ideas and work together to shape our environment and the cities of tomorrow.

### What?

A youth exchange as part of the Erasmus+ Youth Programme.

### Where?

Campagne, Landes in France

### When?

From August 2 to August 8, 2026  
(Travel included).

### Who?

A group of 10 French participants +2 group leaders, 10 Italians +2 group leaders, 10 Belgians +2 group leaders, 10 Germans +2 group leaders, and 10 Lithuanians +2 group leaders.

# OBJECTIVES

## Why This Project?

This exchange is an opportunity for young people to share their ideas, values, and experiences in order to imagine, co-create, and rethink together the environment and the cities of tomorrow. Through a process of sharing and collaboration, this exchange will stimulate their creativity and provide new tools to engage and act collectively in their future projects.

### Personal Objectives

- Gain confidence and initiative.
- Improve communication and teamwork.
- Develop critical thinking regarding environmental challenges.
- Learn tools to design and implement projects.

### General Objectives

- Stimulate creativity through collaborative activities.
- Co-create collective and eco-friendly solutions.
- Promote cooperation among young people from different countries.
- Share best practices on sustainable development and civic engagement.

# HOW?

---

**This project will be based on a collective approach of reflection, practice-sharing, and experience exchange. You will be invited to:**

Use collaborative approaches

Participate in team activities

Foster team cohesion

Engage in intercultural meetings

## ACTIVITIES

Create European projects focused on ecology and sustainability  
Co-create collective, civic, and eco-responsible solutions  
Collect and share best practices on sustainable lifestyles across Europe

Participate in spaces for dialogue and experimentation to develop new eco-friendly ideas and behaviors  
Share sustainable practices across Europe

### ○ **YouthPass**

---

At the end of the exchange, you will receive a **YouthPass**, a European certificate that records the skills you have developed. It describes your participation in the project and allows you to showcase the competencies you acquired.

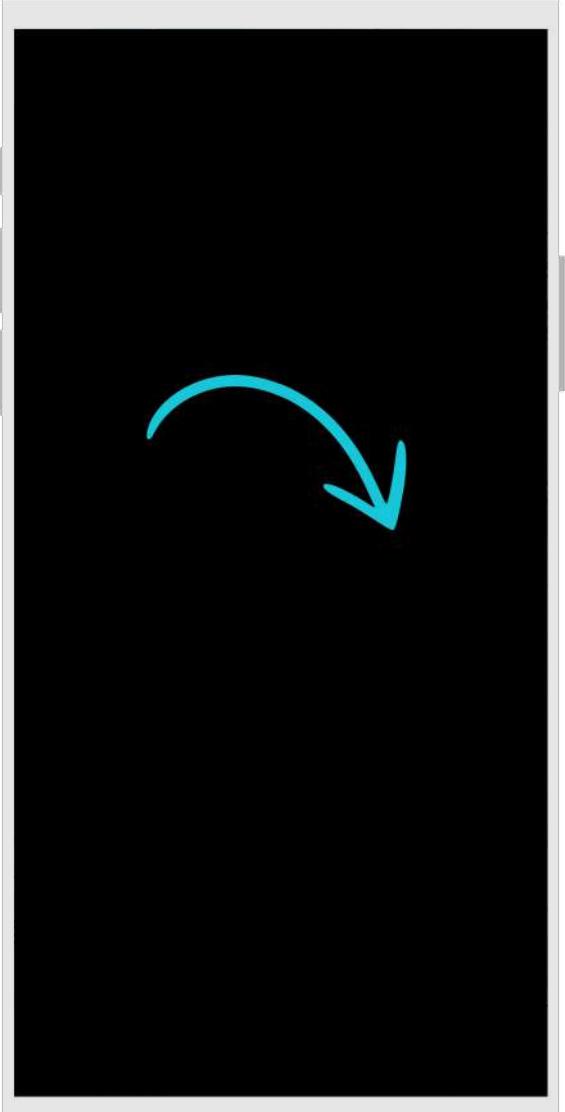

# LOCATION

## CAMPAGNE, LANDES

The mobility will take place at Lou Pesqué, located in Campagne, in the Landes region of France. This is a typical village of the area, offering a peaceful rural setting. The surroundings feature vast green spaces, forests, lakes, and fields, as well as traditional architecture with small houses and farms. The hosting site includes several buildings for accommodation, an activity area, farm animals, and various facilities adapted to the project.

This location provides an ideal environment for activities that promote non-formal learning, self-discovery, and intercultural exchange through fun, sports, and participatory activities.

# PARTICIPANTS
