# ABOUT THE PROJECT

## What ?

The Maison de l'Europe des Landes WIPSEE, in collaboration with its partners, presents the Erasmus+ Youth participation project "Is my History Useful?"

## The origin of the project

The history of Europe is marked by major events: wars, peace treaties, revolutions, and the birth of the European Union. These moments have shaped the values that still guide us today: peace, democracy, and unity.

But Europe still faces serious challenges, and it is young people who can and must take action to build a better future.

It is essential to understand the past and to speak out today. This project gives you the keys to explore history, understand current conflicts, and take part in the dialogue for a more peaceful and inclusive Europe.

## Where ?

In Germany

## When ?

14-19 April 2026

## Who ?

A group of 5 French, 5 Germans, 5 Bulgarians, 5 Lithuanians, and 5 Spaniards with their team leaders.

# 3 OBJECTIVES

## Get involved, get thinking

We're inviting you to explore history in a whole new way: connecting the dots between past events and today's world. Together, we'll dive into discussions, challenge ideas, and uncover how history can help us understand and shape Europe's future.

## Discover what unites us

We'll explore what European values like democracy, peace, and cooperation really mean today, and why they matter for all of us living here now.

## Speak up, be heard

You'll have the chance to meet real decision-makers, from your local council to European institutions. Share your ideas, ask big questions, and help shape how we respond to today's challenges using the lessons of the past.

### Personal objectives

- Improve your **critical thinking** through history and current events.
- Gain **confidence in public speaking** and expressing your views.
- **Connect** with young people around Europe
