THE YOUTH POWER

León (Spain)

15th September 2026

15th August 2027

PROJECTS DETAILS

THE YOUTH POWER 2.0” is a project which involves a total of 6 European Volunteers who will develop their activities in different organizations in León city at the same time but with different objectives.

Auryn Association is the coordinating organization.

The project offers 6 vacancies:

- 3 in Auryn
- 1 in Alzheimer
- 1 in Valponasca
- 1 in Don Bosco Youth Center

GENERAL INFORMATION

Dates

The Volunteering project will take place from 15 September 2026 until 15 August 2027

It will last 11 months.

Accommodation, food and pocket money

Volunteers will share an appartement with other volunteers and will have a private bedroom.

We will provide a weekly allowance for food for each volunteer.

Volunteers will receive Pocket Money.

If needed, local transport will be covered.

1) Project: Intercultural Youth

-AURYN ASSOCIATION- (3 vacancies)

The main aim of this project is to promote the participation of the youth in different volunteer activities in Auryn Association, stimulating the intercultural education, the non-formal education, encouraging at the same time solidarity and tolerance among young people, basically to reinforce the social cohesion within the European Union.

The project will take place in Auryn Association with the aim of promoting children and youth integration throughout a leisure time and educational program focused on values linked with Human Rights, tolerance, respect and solidarity.

Tasks of the volunteers in this project

Planning, development, and evaluation of the activities: prepare materials for school support, search for educational tools, workshops, sports activities, and artistic activities.

Support the proper functioning and activities of the groups that are part of the Association.

Participate in the development and management of youth projects and experiences with other countries of the European Union.

Participate in the creation of educational materials related to human rights and intercultural education.

Design and create the necessary materials for special activities (Christmas, carnival, fairs, etc.) and participate in them.

Develop dissemination activities on Erasmus Plus and the European Solidarity Corps with young people.

Collaborate in the disinfection and cleaning of materials and facilities.

Develop a personal project.: Volunteers are free to propose and implement those activities with children and young people they want, within the various projects undertaken by the association

2) Project: Connecting ages, connecting knowledge

-ALZHEIMER LEÓN- (1 vacancy)

Alzheimer León has been working for 25 years improving the quality of life of the Alzheimer patients and their families, and also making society awareness of that disease.

The purposes of the association are to improve the quality of life of the patients, to promote the investigation, to protect the affected people rights, to support the families and to inform society for developing the early diagnosis of new cases.

A multidisciplinary work team, with more than 60 professionals, social workers, psychologists etc. is in charge of developing the different programs, centers and services for the patients.

Tasks of the volunteers in this project

Participating on daily activities with patients, with an initial training about the accompanying Alzheimer participants.

Taking part on the disseminating and promoting activities.

Taking part on the intergenerational activities of the organization, such as theatre, going out activities, etc.

Participating in other activities such as environmental workshops, choir, yoga.

Develop dissemination activities about Erasmus Plus and the European Solidarity Corps with youth at least once a month.

On the other hand, from the Alzheimer Centre we offer all the training that the volunteer will need and a close accompaniment of her/his growth.

3) Project: Home

-VALPONASCA- (1 vacancy)

The main aim of this project is to promote the participation of the youth in different volunteer activities in Valponasca, stimulating the intercultural education from the non-formal education and the informal learning, encouraging at the same time solidarity and tolerance among young people, basically to reinforce the social cohesion within the European Union.

This volunteering project will take place in Valponasca, with the aim of promoting children and youth integration throughout a leisure time and educational program focused on values linked with Human Rights, tolerance, respect and solidarity.

Tasks of the volunteers in this project

Support in carrying out daily school support tasks.

Developing materials to reinforce the contents they are working on in class, as well as those in which they have more difficulty.

Participate in workshops: Reading encouragement, Computer Science, Social skills, Artistic expression, etc.

Support the educator in the workshops, carrying out the activity together with him/her.

Evaluate the activity.

To make a final report of the activities that have been carried out.

Participate and design activities to do in leisure time.

Produces a final report of the activities that have been carried out.

Attending team meetings and reparation of weekly follow-ups.

Support in secretarial tasks.

Support in the management of social networks.

4) Project: Empowering the community

-DON BOSCO YOUTH CENTER- (1 vacancy)

Don Bosco Youth Center is an entity which carries out an extensive project of community development and socio-educational intervention in the area of Armunia (in the periphery of León city) since 1980. This is an area with a high rate of population at social risk. In this context, the Youth Center has received an important and positive response by the neighborhood.

The aims of the association are linked with the promotion of the children and youth empowerment throughout a leisure education program which fosters values such as tolerance, respect, solidarity and interculturality.

Tasks of the volunteers in this project

To provide educational support tasks with minors and to support the different projects of the center.

Participate in the accompaniment and family follow-up of the users of these projects.

Establish a relationship with the educational centers in the area in order to coordinate the educational work of the participants also coordinate the educational work with the tutors.

Develop entertainment and leisure activities for the participants of our programs.

Assist in the organization and help maintain excellence in our activities.

Develop dissemination activities about Erasmus Plus and the European Solidarity Corps with young people at least once a month.

Collaborate in the cleaning and organization activities of the Youth Center.

Carry out a personal project.

HOW TO ARRIVE

There are some low-cost companies (Easyjet, Ryanair, Vueling...) that fly to Madrid.

From Madrid to León, there are two options:

- **By train:** From “Madrid-Chamartín train station”. For further information about times and prices you should have a look in the site: www.renfe.es.
- **By bus:** Directly from the airport. There is more information in www.alsa.es .

In addition, there is an airport in León, but there are not many flights and the price is not usually cheap.

Other airports that can be useful: Asturias (OVD), Valladolid (VLL), Seve Ballesteros-Santander (SDR), Bilbao (BIO).

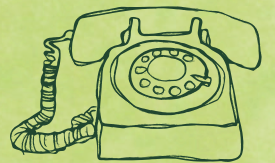

Once in León, one of the members of the association will pick you up and take you to the apartment.
