GABROVO

THE PROJECT WILL TAKE PLACE IN THE CITY OF GABROVO, BULGARIA.

Gabrovo is a town in central Bulgaria, located at the foot of the Balkan Mountains along the Yantra River. Gabrovo was recognized as a UNESCO Creative City in the field of crafts and folk art in 2017 and still continues to consolidate its place on the world cultural map by participating in the activities of the Network – from joint projects and festivals, to training programs and cultural exchange. Thus, the city becomes a bridge between tradition and modernity, showcasing the richness of Bulgarian crafts and their role in the global cultural dialogue. The forum of the UNESCO Creative Cities Network is an important step towards Gabrovo's candidacy for the European Capital of Culture in 2032.
