

RECYCLING IS COOL!

7 JULY 2026-20 JULY 2026
Hassagy - HUNGARY

Erasmus+

Funded by
the European Union

Project Number: 2025-1-HU01-KA151-YOU-000298566

6TH AND 21ST ARE TRAVEL DAYS.

THE PROJECT: RECYCLING IS COOL

Is an intercultural program where participants learn creative recycling techniques using non-formal educational methods in order to protect the environment and reduce waste. Another goal of the program is for participants to jointly discover both European and local traditional values while gaining an understanding of the cultural heritage related to them and their importance.

DETAILS ABOUT THE PROJECT:

IN THE COURSE OF THE PROJECT, WE PROVIDE:

1 *The opportunity to introduce ourselves*

2 *Participate in workshops*

3 *Present the participants' country and values with pictures, videos, and presentations.*

4 *Discover the city's values*

DURING THE TRIPS, VOLUNTEERS WILL;

1 *Get to know our local values*

2 *Meet our built cultural heritage*

3 *Have the opportunity to meet local people.*

PROFILE OF PARTICIPANTS :

Participant:

- Being between 16-30 years old.
- Coming from the same region and/or community for a stronger impact and support at your return.

Team Leader: No age limit.

For All:

- Live in urban environments or/and being economically disadvantaged.

Group **per country** = 5 Participants + 1 Group leader

ACTIVITIES

They can learn "slow" and "green" techniques and tangible activities in individual workshops that are based on tradition and meet the tastes and expectations of young people.

In addition, the project encourages the entrepreneurial activity of young people, sets a good example for the useful use of free time, independent and creative living, and provides experience and knowledge for managing similar occupations.

Participants work in five workshops under the leadership of participating local shift experts.

- Paper recycling workshop
- Plastic recycling workshop
- Metal and wood recycling workshop
- Textile recycling workshop
- Glass and porcelain recycling workshop

The planned activities are carried out by the participants in five smaller groups of mixed nationalities, rotating, so that we ensure that everyone can get a taste of each piece of knowledge, as well as improve working skills in mixed groups.

ACTIVITIES

Will be determined by the results of team building and the presentation of the project's goals, the steps taken to achieve the results (days 1-2).

▶ Cultural programs :

- Leisure activities
- Guided city tours
- Visiting our Pécs Cultural World Heritage Sites
- Zsolnay Cultural Quarter
