Participant profile

GROUP COMPOSITION

40 youth workers over 18 years old, including 20 women and 20 men, who are citizens or legal residents of the sending countries.

At least eight participants will be people with fewer opportunities: unemployed people and young NEETs, people from rural or geographically isolated areas, people facing economic obstacles, migrants, refugees or members of ethnic minorities.

REQUIREMENTS FOR PARTICIPANTS

- Be active youth workers and have experience supporting young people with fewer opportunities.
- Experience or studies in youth work, inclusion or digital education are an advantage but are not mandatory.
- Have basic skills in using AI and an interest in its inclusive, ethical and safe use.
- Communicate in English and be familiar with the Erasmus+ programme.
- Use non-formal learning methods and apply and disseminate the project results.

Preparation, learning and dissemination

BEFORE THE MOBILITY

- Preparing an original presentation of the sending country, including traditions, customs and attractions.
- Presenting a good practice or non-formal method used by the organisation when working with young people with fewer opportunities.

DURING THE SEMINAR

The programme uses non-formal learning: World Café, Open Space, brainstorming, debates, case studies, workshops, practical activities, study visits, outdoor activities and intercultural evenings.

AFTER THE MOBILITY

- Information sessions and community workshops that apply the methods learned during the seminar.
- Contributions to the digital guide or good practice magazine produced by APDD.
- Online dissemination through the partners' and participants' channels and the organisations' websites.
- Testing and transferring the methods developed into future youth activities and youth exchanges.
